

Trek Parts

Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning business. The company's founders, Chris Knowlton, Bob O'Hara and Jim Hartsock, have more than sixty years combined experience with successfully manufacturing, designing, developing, marketing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are committed to giving new design concepts and top quality so as to meet the diverse requirements of their customers.

TREK Cleaning Machines continually provides fresh design ideas as shown in their product development. They like providing items which energize both their dealers and their partners and offer production gains to their customers.

The team at TREK likes dealing with new challenges and tasks. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the comprehension of operators' skills and needs along with their understanding of cleaning applications, along with owners' strong desire to significantly lower cost through productivity gains.

The staffs at TREK and their dealer-partners are strongly devoted to having both technical support and parts obtainable when it is needed. Their high service devotion is amongst the core values in their customer service. Keeping their clients' cleaning machines ready and working on a daily basis is top priority. The company's top of the line technology delivers dependable machinery which eventually lowers your cleaning expense. The service, the product and the price all work as one to make them an industry leader.
