

Lull Telehandler Parts

Lull Telehandler Parts - Lull telehandlers have been providing precision load placement ever since 1959. Whether the work entails landing loads on scaffoldings, transferring loads or positioning heavy steel, utilizing a Lull telehandler will really help make the task go easier and faster. These units are available along with the patented Stabil-Trak stability system in order to ensure operator confidence.

The horizontal placement system by Lull could supply 80 inches of boom travel for precision placement capabilities. There are also a lot of optional Lull attachments for their telehandlers so as to help finish whatever work.
